

Library Card Policy

Perspective applicants of Ward II, St. Landry Parish may obtain a library card by completing a registration form in the presence of a staff member and presenting pictured identification with current address. Applicants outside of Ward II must show a valid library card from their parish and that parish must be a member of the Libraries Southwest System.

A non-resident who is in the area during an extended stay (over 3 months) may apply for a temporary library card which has limited privileges for borrowing materials. Individuals not qualified for a library card may use the computers as guests with a pictured ID.

By signing the registration card, the registrant agrees to comply with the rules of the library and to pay whatever fines or fees may be incurred for damages or losses of library materials. A parent or guardian must sign the registration form for children ages 6-18 and (currently in elementary through high school). In so doing, the parent accepts responsibility for the child's use of the library and agrees to pay fines and/or fees incurred for misuse of library materials.

Library cards are issued for an indefinite period of time. Lost cards should be reported immediately. The first card is free; however, all replacement cards will cost \$2.00 each.

Violation of library policies, excessive fines, damages and/or overdue items may result in suspended or revoked library cards.
